

**MINUTES**  
**Special Session of the College Park City Council**  
**Council Chambers**  
**Wednesday, August 8, 2012**  
**10:31 p.m. – 10:36 p.m.**

**PRESENT:** Mayor Fellows; Councilmembers Wojahn, Kabir, Dennis, Catlin, Day, Afzali and Mitchell.

**ABSENT:** Councilmember Stullich

**ALSO PRESENT:** Joe Nagro, City Manager; Suellen Ferguson, City Attorney; Janeen Miller, City Clerk; Chantal Cotton, Assistant to the City Manager; Bob Ryan, Director of Public Services; Terry Schum, Director of Planning.

During a regularly scheduled Worksession of the College Park City Council, a motion was made by Councilmember Wojahn and seconded by Councilmember Day to enter into a Special Session to reconsider a motion approved at the last regular meeting regarding parking restrictions on Berwyn House Road. The possibility of a Special Session was advertised on the agenda. The motion carried 7 – 0 – 0 and the Council entered into the Special Session at 10:31 p.m.

**Action Items:**

**Reconsideration of 12-G-83: Parking Restrictions on Berwyn House Road**

**A motion was made by Councilmember Catlin and seconded by Councilmember Day to authorize the City Manager to establish parking limits along the north side of Berwyn House Road from an area directly across from Spellman House to Baltimore Avenue, as follows: 1) that a two (2) hour time limit be established for as many spaces as possible, as shown on the attached diagram, to be enforced from 6:00 a.m. to 10:00 p.m. Monday through Saturday; and 2) that an area of “no parking allowed” be established closest to Baltimore Avenue, sufficient to allow proper egress of vehicles from Berwyn House Road onto Baltimore Avenue, as shown on the attached diagram.**

Councilmember Catlin said we addressed this last month but the original motion did not have the specificity that was necessary for staff to proceed. This motion provides the details. Time is of the essence to get this done before the students return by the end of the month.

**Comments from the audience:**

**Dave Dorsch, 4607 Calvert Road:** Why is this needed? Is the parking metered now? We should maximize the number of available parking spaces.

There were no comments from the Council.

**The motion was approved 7 – 0 – 0.**

**Adjourn:** A motion was made by Councilmember Afzali and seconded by Councilmember Dennis to adjourn from the Special Session. The motion carried 7 – 0 – 0 and Mayor Fellows adjourned the Special Session at 10:36 p.m.
